MEETING PROFESSIONALS INTERNATIONAL

Hello there,

Meeting Professionals International, Orange County Chapter is gearing up for our Silent Auction Fundraiser coming up on March 3, 2010 at The Discovery Science Center. We are in need of auction items and would love to have your companies support to help us raise funds for our many valuable programs. If you can donate gift certificates, gift baskets, individual items, or trips we would greatly appreciate it! Here is some information about the worthy programs to which your gift would be contributing....

Established in 1972, Meeting Professionals International (MPI) is the leading global community committed to shaping and defining the future of the meeting and event industry. As the largest trade association for the \$102.3 billion meeting industry, MPI defines the return on investment and strategic value meetings bring to individuals, organizations and the global economy. MPI helps its members enhance their professional value by providing them with best practices, superior education, the latest research and trends, professional development and networking opportunities.

MPI Orange County Chapter is one of 60 chapters worldwide and has approximately 400 members who are all dedicated to the chapter's dual function of professional development as well as community enhancement. Our members fall into two main categories:

- 1) Planner members — Professionals responsible for planning and managing meetings, conferences, conventions and other gatherings for companies, associations or other organizations.*
- 2) Supplier members — Those who provide services to the meeting industry such as hotels, convention and visitor bureaus, service contractors, travel agents, airlines, etc.*

The primary purpose of MPIOC is to provide a variety of forums to encourage and enhance professional education and networking among meeting industry professionals. By doing this, we improve the quality not only of our immediate industry, but of those communities, professional and non-profit, who benefit from the quality of our services. We have a volunteer leadership structure.

Please contact me for further information or to make a donation.

Thank you in advance for your support!
Sincerely,
